|---------------|---------------|-----------------------------|---------|-----------------------------------|---|----------------|----------------|--|
| 1 | 21-Jun-2021 | Regional | Opposed | Ecology; Social | Importance of protecting bushland; habitat reduction; preservation of endangered species; future generations | Indirect | | |
| 2 | 21-Jun-2021 | Regional | Opposed | Project; Ecology | Refuge for wildlife; preservation crucial for regenerating habitat | Indirect | | |
| 3 | 21-Jun-2021 | Regional | Opposed | Project; Ecology; Social | Impacts of fire; impacts of population growth, destruction of native forests; climate change preservation of endangered species | Indirect | | |
| 4 | 21-Jun-2021 | DUPLICATE OF ID 3 | | | | | | |
| 5 | 22-Jun-2022 | Regional | Opposed | Ecology | Habitat reduction from bushfire; refuge for wildlife; impact on endangered species | Indirect | | |
| 6 | 22-Jun-2022 | National | Opposed | Ecology; Social | Preservation of remaining bushland; future generations | Indirect | | |
| 7 | 27-Jun-2022 | Local | Opposed | Project; Ecology; Social | PD biased; preservation of remaining bushland; climate emergency; environmental vandalism | No | | |
| 8 | 24-Jun-2021 | Unspecified | Opposed | Ecology | Preservation of habitat; climate change; protection of endangered species | Indirect | | |
| 9 | 26-Jun-2022 | Regional | Opposed | Project; Ecology; Social | Inadequate monitoring for Powerful owl, Bentwing bat, Greater glider; refuge for wildlife; global warming; habitat loss; public interest in maintaining land as it is; mental and emotional wellbeing of local residents | Yes | Greater glider | |
| 10 | 26-Jun-2022 | Unspecified | Opposed | Ecology | Preservation of bushland | No | | |
| 11 | 27-Jun-2021 | Unspecified | Opposed | Project; Ecology | Scale of development; interference with natural environment | No | | |
| 12 | 27-Jun-2021 | Local | Opposed | Project; Ecology; Economy | Inappropriate development; no need for more housing; need wildlife corridors; impact on endangered species | Indirect | | |
| 13 | 27-Jun-2021 | Local | Opposed | Project; Ecology; Social | No need for more housing; most houses will be used for holiday rentals; insufficient educational facilities; most residents do not want an IGA or a car park | No | | |
| 14 | 27-Jun-2021 | National | Opposed | Project; Ecology; Economy; Social | Impact on threatened species; refuge for wildlife; climate crisis; Manyana will become like another suburb of Nowra | Indirect | | |
| 15 | 27-Jun-2021 | National | Opposed | Project; Ecology; Economy; Social | Inadequate environmental assessment; loss of habitat; refuge for wildlife; importance to seed resettlement of wildlife and plant life; heroism of firefighters; retention of bushland will have positive impacts on healing of local residents; uncertainty of social and environmental impacts; no need for more holiday rentals | Indirect | | |
| 16 | 27-Jun-2021 | National | Opposed | Ecology | Not opposed to growth, but the development should be postponed | No | | |

|---------------|---------------|-----------------------------|---------|--------------------------|---|----------------|---|
| 17 | 27-Jun-2021 | Unspecified | Opposed | Ecology; Social | Community division; adverse environmental impact; loss of habitat | Indirect | |
| 18 | 27-Jun-2021 | Unspecified | Opposed | Ecology; Social | Refuge for wildlife; future generations | No | |
| 19 | 27-Jun-2021 | Unspecified | Opposed | Ecology | Destruction of the bush is a crime against humanity, biodiversity and the planet | No | |
| 20 | 28-Jun-2021 | Unspecified | Opposed | Ecology; Social | Preservation of bushland; no benefit to community | No | |
| 21 | 28-Jun-2021 | Local | Opposed | Project; Ecology | Inadequate environmental assessment; impacts are too great; significant impact on other species by removing habitat; significant impact on listed CEEC vegetation communities; other species listed, including provisional urgent management intervention list, previously recorded within 1km from the site and missing from the referral; no assessment of indirect impacts on MNES | Yes | Swift parrot; Grey-headed Flying fox; Greater glider; |
| 22 | 28-Jun-2021 | Unspecified | Opposed | Ecology | Preservation of bushland | No | |
| 23 | 28-Jun-2021 | Regional | Opposed | Ecology; Social | Development is an insult to a community already wounded by the bushfires; impact on wildlife | | |
| 24 | 28-Jun-2021 | National | Opposed | Project; Ecology | Significant impact on matters protected by Part 3 EPBC Act; referral information is misleading or incorrect; no assessment of indirect impacts on MNES; precautionary principle should be adopted | Yes | Swift parrot; Grey-headed Flying fox; Greater glider; |
| 25 | 28-Jun-2021 | Regional | Opposed | Project; Ecology; Social | Surrounding land must be given time to regenerate; impact on critically endangered species and habitat; appreciates difficult position for developer and its interests must be remedied; significant impact on the community; will never be accepted by the local community and will destroy community value | Yes | Swift parrot; Greater glider |
| 26 | 28-Jun-2021 | Local | Opposed | Project; Ecology; Social | Importance of nature for the local community; loss of habitat, ecosystem | Indirect | Expert - Wildlife biologist |
| 27 | 28-Jun-2021 | National | Opposed | Project; Social | Should use already cleared farming land | No | |
| 28 | 28-Jun-2021 | Regional | Opposed | Ecology; Social | Community still hurting from bushfires; preservation of bushland; animals and environment cannot be compensated | No | |
| 29 | 28-Jun-2021 | Unspecified | Opposed | Ecology | Oppose development in favour of protecting wildlife | No | |
| 30 | 28-Jun-2021 | National | Opposed | Ecology | Habitat loss for Greater gliders; too much strain on the natural habitat | Yes | Greater gliders |
| 31 | 28-Jun-2021 | National | Opposed | Ecology; Economy; Social | Refuge for wildlife; science is flawed, relying largely on a single publication; significant impact on local community; bushland has a healing effect on the community; more housing not needed | No | |

| 32 | 28-Jun-2021 | DUPLICATE OF ID 22 | | | | | | |
| 33 | 29-Jun-2021 | Regional | Opposed | Ecology | Preservation of bushland; protection of wildlife | Yes | Greater gliders | |
| 34 | 29-Jun-2021 | DUPLICATE OF ID 33 | | | | | | |
| 35 | 29-Jun-2021 | Unspecified | Opposed | Ecology; Social | Preservation of bushland; community opposition | Indirect | | |
| 36 | 29-Jun-2021 | Unspecified | Opposed | Ecology | Land clearing | No | | |
| 37 | 29-Jun-2021 | Local | Opposed | Ecology | Significant environmental impact, impact on native flora and fauna ad the local community, PD understates the impact | Indirect | | |
| 38 | 29-Jun-2021 | Regional | Opposed | Ecology | Preservation of bushland for repopulation of animals; cannot be managed through offsetting | No | | |
| 39 | 29-Jun-2021 | National | Opposed | Ecology | Refuge for wildlife; should be preserved as the Manyana Special Conservation Reserve and the developer repatriated from government funds; powerful symbol of hope and health for the south coast | No | | |
| 40 | 29-Jun-2021 | Unspecified | Opposed | Ecology; Social | Humans and animals need a break; plenty of housing, but not plenty of uncleared bush | No | | |
| 41 | 29-Jun-2021 | Unspecified | Opposed | Ecology; Social | Vulnerability of flora, fauna and humans; intergenerational equity; should find another site already cleared | No | | |
| 42 | 29-Jun-2021 | National | Opposed | Project; Ecology; Social | Refuge for wildlife; impact on endangered species; community opposition | Yes | Greater gliders | |
| 43 | 30-Jun-2021 | National | Opposed | Project; Ecology | Preservation of bushland; government should provide funds to save the bush | No | | |
| 44 | 29-Jun-2021 | Local | Opposed | Project; Ecology; Economy | Preservation of bushland; impact on animals; already too many houses vacant most of the year | No | | |
| 45 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology | Loss of habitat which cannot be replaced; land should be acquired by state government and made Manyana Special Conservation Reserve | Indirect | | |
| 46 | 29-Jun-2021 | Unspecified | Opposed | Ecology; Social | Habitat loss, irreversible destruction; preserve for future generations | Indirect | | |
| 47 | 29-Jun-2021 | Unspecified | Opposed | Ecology; Social | Loss for the area; loss of habitat | No | | |
| 48 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology; Social | Disregard for the local environment and community | No | | |
| 49 | 29-Jun-2021 | Local | Opposed | Project; Ecology; Social | Preservation of bushland to allow healing, regeneration and environmental conservation; preserve for the local community and future generations | No | | |

| Submission ID | Date received | Submitter location category | Stance | Subcategories | Main issues | EPBC relevance | Notes | |
|---------------|---------------|-----------------------------|---------|--------------------------|---|----------------|-------|--|
| 50 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology | Refuge for wildlife; impact of fires still not totally understood; cumulative impacts of many projects makes survival difficult | Yes | | |
| 51 | 29-Jun-2021 | Unspecified | Opposed | Ecology; Social | Preservation of bushland for future generations and proliferation of native species | No | | |
| 52 | 29-Jun-2021 | Local | Opposed | Project; Ecology; Social | PD does not reflect significance of preservation of bush in an area devastated by bushfire; project will create community division; new housing is not sympathetic to the surrounding bushland and will affect natural runoff and watercourses; community united in its opposition ad new residents will bear community resentment; developer should be financially compensated | No | | |
| 53 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology | Preservation of habitat | No | | |
| 54 | 29-Jun-2021 | National | Opposed | Project; Ecology | Significant impact on the environment and amenity of the area; one road in and out could lead to catastrophe | No | | |
| 55 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology | Destruction of pristine forest; impact on koalas | No | | |
| 56 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology | Preservation of bushland; refuge for wildlife; biodiversity hotspot; one road in and out could lead to disaster | No | | |
| 57 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology | Great joy to see vivid plant and animal life which will once again be displaced | No | | |
| 58 | 29-Jun-2021 | National | Opposed | Project; Ecology | Preservation of habitat | Indirect | | |
| 59 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology | Destruction of unburnt wilderness is a disgrace | No | | |
| 60 | 29-Jun-2021 | Unspecified | Opposed | Ecology; Social | Important resource for wildlife; Community opposition | No | | |
| 61 | 29-Jun-2021 | DUPLICATE OF ID 58 | | | | | | |
| 62 | 29-Jun-2021 | Unspecified | Opposed | Ecology; Social | Intergenerational equity; put animals and environment before profit | No | | |
| 63 | 29-Jun-2021 | Local | Opposed | Project; Ecology; Social | Refuge for wildlife; government should purchase the land; development should occur where bush has already been removed | Indirect | | |
| 64 | 29-Jun-2021 | Unspecified | Opposed | Project; Ecology; Social | Lasting damage; blight on the land; habitat loss from badly designed houses; no benefit to the community | No | | |
| 65 | 29-Jun-2021 | National | Opposed | Project; Ecology | Refuge for wildlife; scale of the development is out-of-keeping with the village character; proponent should seek compensation from government | No | | |
| 66 | 29-Jun-2021 | Unspecified | Opposed | Ecology | Important land in the ecosystem; must be protected for endangered and rare native species | Indirect | | |

|---------------|---------------|-----------------------------|---------|-----------------------------------|---|----------------|------------------------|
| 67 | 30-Jun-2021 | National | Opposed | Project; Ecology; Economy | Preservation of bushland; refuge for wildlife; no benefit to the community; overpopulation; congestion; will increase number of holiday rentals | Yes | Grey-headed Flying fox |
| 68 | 30-Jun-2021 | Unspecified | Opposed | Project; Ecology | Preservation of bushland; one road in and out is a firefighter's nightmare | No | |
| 69 | 30-Jun-2021 | Unspecified | Opposed | Project; Ecology; Social | Loss of habitat; intergenerational equity | Indirect | |
| 70 | 30-Jun-2021 | Unspecified | Opposed | Project; Ecology; Social | Impact on threatened species; refuge for wildlife; government should purchase the land | Indirect | |
| 71 | 30-Jun-2021 | Unspecified | Opposed | Project; Ecology | Project will destroy the scale of the village and create urban sprawl; location not suited to a large population | No | |
| 72 | 30-Jun-2021 | Local | Opposed | Project; Ecology; Economy; Social | Refuge for wildlife; bush represents the determination and bravery of local communities; makes no commercial sense; no need for more houses; impact on bushland and mental health; government should buy the land | No | |
| 73 | 30-Jun-2021 | Local | Opposed | Project; Ecology | Loss of habitat; damage health of residents | No | |
| 74 | 30-Jun-2021 | Local | Opposed | Project; Ecology; Social | Vital source of regeneration; powerful symbol of hope; refuge for wildlife; government should acquire the land | No | |
| 75 | 30-Jun-2021 | Unspecified | Opposed | Project; Ecology | Bushland critical to survival of the ecosystem | No | |
| 76 | 30-Jun-2021 | Unspecified | Opposed | Project; Ecology | Unburnt bush needs protection | No | |
| 77 | 30-Jun-2021 | Regional | Opposed | Project; Ecology | Refuge for wildlife; should be made a Special Conservation Reserve | No | |
| 78 | 30-Jun-2021 | National | Opposed | Project; Ecology; Social | The land is needed to regenerate and repair | No | |
| 79 | 30-Jun-2021 | National | Opposed | Project; Ecology; Social | Refuge for wildlife; comfort for the local community; Loss of habitat; should be purchased by government and made a Special Conservation Reserve | Yes | |
| 80 | 30-Jun-2021 | International | Opposed | Project; Ecology | Refuge for wildlife; land should be made a Special Conservation Reserve | No | |
| 81 | 30-Jun-2021 | Unspecified | Opposed | Project; Ecology | Make the land a Special Conservation Reserve | No | |
| 82 | 30-Jun-2021 | Unspecified | Opposed | Ecology | Significance to local Aboriginal people; loss of habitat | Indirect | |
| 83 | 30-Jun-2021 | National | Opposed | Ecology | Ecoterrorism | No | |
| 84 | 30-Jun-2021 | Local | Opposed | Project; Ecology; Social | Affront to locals who fought hard to protect their properties; impact on flora and fauna; importance as a place for Sydneysiders to go to escape the city | No | |
| 85 | 30-Jun-2021 | Local | Opposed | None | Supports Manana Matters | No | |
